

Hinckley Community Football Club Ltd Elections – 2015

My name is Andrew Sneesby and I am running to be a member of the board of Hinckley AFC. I have been coming to the majority of the home games this season with my son, Oliver (7), and have seen him fall in love with live football as I did many years ago. It has been fantastic, and I would like to thank all the fans for being brilliant and the club for playing exciting football to enthral us!

I believe in the fact that diversity is needed to fully represent any group of people, our Football Club included, at whatever level from pitch to terraces to board, and as a man of 25, I feel could bring the right amount of youthful energy and experience a board of this Club. Any problems that may occur can be overcome quickly and easily with more ideas and fresh thinking and we can move the club forward from strength to strength over the coming weeks, months and years.

I believe my years of playing football from School level, to College level to Saturday League up until I gained a young family, would stand me in good stead with football matters and my full time job on the railway network has given me the ability to thrive under pressure and cope with anything life can throw at a lovely little club in the heart of the country.

I believe that we need a mixed, open, honest, integral board and I can assure you that I will be all of those things, in equal and fruitful manner.

Give the youth a chance, and VOTE SNEESBY
