

Hinckley Community Football Club Ltd Elections – 2015

Russ Abbott

My reason for wanting to stand for the board is quite simple I feel its only right I finish something I along with others started. I have enjoyed my time with the working group and consider this the next step.

Initially my role within the working group was to run the social media side. I was responsible for the creation of the FB page which now has over 1000 likes.I have also set up the twitter account and have been involved in the creation of the website.

I have now moved into the area of fundraising. With gate receipts being our only main source of income it is essential that we find other ways to bring money into the club.We cannot and will not go back to the boom and bust days of Hinckley United.It is essential that HAFC is ran on a sure and sound financial footing.

I am also working with the junior teams on fundraising.It is essential that they are included on as many levels as possible and treated as equals, after all they are the future of HAFC
