

Hinckley Community Football Club Ltd Elections – 2016

Having been elected as one of the inaugural Directors of the Club I have been honoured to serve for the last year. We have come a long way together since the formation in January 2014, but there is still much to do. While work commitments mean I am not able to spend so much time physically, I remain totally committed to the support and development of the Club, especially in the direction of bringing the Club home to Hinckley and in the building of our community ties.

If elected again, I will strive as always to bring a strategic perspective to our activities and continue to “play the long game” so that the Club thrives and is secure for future generations in Hinckley, not just for 1st Team football, but for everything else that the Club stands for.
