

## **Hinckley Community Football Club Ltd Elections – 2016**

I am currently the Events Coordinator for Hinckley AFC Juniors and have been involved in football since 2003 when my son joined the previous Hinckley United Juniors. I sat on the Junior committee for nearly 10 years and during this time, organised the majority of the events for players and parents, raising funds to the junior club. I was also involved in promoting grassroots football across the county together with the senior club and larger clubs such as Leicester and Coventry.

Off the committee I have successfully run my own business for 9 years, working in the property market. This means I have dealings and contacts with local businesses as well as having the ability to work as part of a team or on my own initiative.

I am a very proactive person who thrives on succeeding and motivation. I have a keen interest in sports but mainly football. I currently work alongside Burbage Cricket Club in helping the team and fundraising events and because of my efforts won clubman of the year trophy this year.

My aim should I be nominated is to promote the club as best I can:-

1. Operate fundraising events to raise funds
2. Bring the community together in supporting their local club
3. Integrating the junior parents more
4. Sponsorship and local business support
5. Involvement with well supported events in the local areas

I am fully aware how much time goes into running a club (due to my involvement with the junior club) it takes dedication, commitment and hard work. This is something I enjoy and am proud of when things are successful.
