

MANIFESTO STATEMENT FOR DAREN PLAYLE

I have been attending Hinckley AFC both home and away for just a couple of seasons now having become involved through a sponsorship day with my Wife's employers. Since that first day I was hooked and as a family we have attended the majority of games.

It is apparent that there are problems within the Club at the moment due to the resignation etc of Directors and having attended a recent Supporters Meeting I now feel that I want to 'stand up and be counted' and try and assist to move the Club forward. Morale seems to be generally low at the moment and needs to be lifted around the Club as a whole as soon as possible.

I work as a Company Engineer and on a day to day basis I am dealing with budgets, profit and loss and deadlines etc and I feel that this will be beneficial to the Club as I am happy to negotiate as hard as is necessary to achieve the best possible financial outcome. I have been used to doing this on a daily basis for many years.

If elected I will work as hard as I can for the Club as a member of the Board and from the crowd as a fan.
