Hello, let me start by introducing myself.

My name is Mark Langley and I am 46 years old and a Hinckley resident, I work at Jaguar cars in Birmingham and have done so for the last 20 years. I have been following Hinckley since I was a teenager when popping down to watch the odd Aetho game at Middlefield Lane then onto HUFC and now AFC. Those of you that know me personally will know that I juggle my football time between my first love QPR and Hinckley so if you don't see me at a Hinckley game with my son Joseph then we will be found in West London or some other part of the country cheering the R's on.

I have decided to put myself up for election onto the board just to try to help the club continue to grow and also to help get OUR club back where it belongs in Hinckley, I have no business experience to bring to the table but what I do have is the ability to listen to other fans and take on board what other fans would like to see and plenty of enthusiasm to do just that. I promise that if I am elected onto the board then I will do my utmost to give the club and fans what they want and deserve as a board member.

Thanks

Mark Langley.
